Shields and Douden Survey Jan. 14. 1887.

In obedience of a request of A. K. Douden, Trustee of Clear Creek Twp. Morrison Co. Ind., I made the following described survey. Began at NW corner of S.W. ¼ of N.W. ¼ of sec 6 T. 71 S. ran South ½ mile to NW corner of S.W. ¼ of S.W. ¼ of said sec. 6. on a random line, connecting back thus locating Meridian Line. I then attempted to trace out a School Lot on said Mer. Line by the data as given in the original deed given by James Shields and Wife to John Shultz Trustee of C.C.T. Finding the description too indefinite I, at request of parties now around the lot beginning at an arbitrary point in order to receive its relative position. Since nothing was established I think above a sufficient record. A. J. Dillman, M. C. S.
